

The men from E - ton did a deal They fixed the term so they kept the power They
 The ten years of aus - ter - i - ty Left 4 million child - ren in po - ver - ty And
 A grand fath er here since he was 10 Was sudd - enly told he had o - ver - stayed He
 The N H S, envy of the world Is starved of fund ing and un der strain

called a vote then told the peo - ple lies And stole from us our count - ry Hy - po - crite
 seven - teen thou - sand with dis - ab - il - i - ties died a - wait - ing Uni - versal Cre - dit
 had no rights and might be sent back home Though fif - ty years he'd been here
 Carve it, chop it, in to lit tle bits And sell it to your cro nies

called a vote then told the peo - ple lies And stole from us our count - ry John - son
 seven - teen thou - sand with dis - ab - il - i - ties died a - wait - ing Uni - versal Cre - dit
 had no rights and might be sent back home Though fif - ty years he'd been here
 Carve it, chop it, in to lit tle bits And sell it to your cro nies

Tor-ies out You've no man-date, let the peo-ple speak You have no right to go-vern

right now You've no man-date, let the peo-ple speak You have no right to go-vern
